

Technical Data Sheet

What is Maxifix?

Maxifix is a sturdy clip on spacer for medium to heavy duty usage in all types of applications found in Precast Yards and in situ construction sites. Maxifix is capable of clamping up to 25 mm diameter reinforcement.

Maxifix offers an advantage over lighter duty spacers whilst being more cost effective than many intended for heavy duty applications only. It can be fixed horizontally or vertically on bars.

Features

- Easy To Use and Strong - For 5 mm to 25 mm Bars
- Heavy Duty Bar Chair
- More stable than FastClip Bar Chairs
- Complies with AS:NZS 2425:2015 with 120 kg rating

Part Number	Cover (mm)	Material	Min Bar Size	Max Bar Size	Reo Type	Strength Rating (kg)	Style
32MAX15.825	15	Plastic	8	24	Bar	120	Single
32MAX20.825	20	Plastic	8	24	Bar	120	Single
32MAX25.825	25	Plastic	8	24	Bar	120	Single
32MAX30.825	30	Plastic	8	24	Bar	120	Single
32MAX35.825	35	Plastic	8	24	Bar	120	Single
32MAX40.825	40	Plastic	8	24	Bar	120	Single
32MAX45.825	45	Plastic	8	24	Bar	120	Single
32MAX50.825	50	Plastic	8	24	Bar	120	Single
32MAX60.825	60	Plastic	8	24	Bar	120	Single
32MAX75.825	75	Plastic	8	24	Bar	120	Single
32MAX100.825	100	Plastic	8	24	Bar	120	Single

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by Actech are based upon records, tests, or experience that Actech believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any Actech or third party intellectual property rights is granted or implied with this information. Product Selection and Use: Many factors beyond Actech's control and uniquely within user's knowledge and control can affect the use and performance of an Actech product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., AS, Work Safe etc.). Failure to properly evaluate, select, and use an Actech product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable Actech product packaging or product literature (in which case such warranty governs), Actech warrants that each Actech product meets the applicable Actech product specification at the time Actech ships the product. Actech MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If an Actech product does not conform to this warranty, then the sole and exclusive remedy is, at Actech's option, replacement of the Actech product or refund of the purchase price. Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, Actech will not be liable for any loss or damage arising from or related to the Actech product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
